

Prolongation of Accreditation: Self-Declaration Form for Legal & Technical Experts

First Name, Family Name

Company Name

I hereby declare the following:

A. Proficiency

I have been active as a privacy professional since my initial accreditation or last re-accreditation respectively. During that period of time, I spent a considerable share of my professional activities with legal and/or technical aspects of European data protection law including auditing, assessing or evaluation related to privacy and data protection.

A brief overview of my relevant professional experience for the above-mentioned time period (distinguishing between different occupations (if applicable) and including information on time frame and share of privacy related tasks in the overall professional activities) is attached as Annex 1 of this agreement or as a separate document.

I have **not** been **dismissed as a data protection officer** (e.g., by a supervisory authority) due to failures in expertise,

I have **not** been **dismissed as an evaluator** (e.g., by an accreditation body) due to failures in expertise.

B. Reliability

I have **not** been convicted of a crime during the past 5 years,

I am **not** subject to an ongoing criminal investigation,

I am **not** subject to previous or current insolvency proceedings,

I am **not** subject to previous or current enforcement proceedings.

C. Declaration on liability insurance coverage

I currently have or

I will have before starting an evaluation

sufficient liability insurance coverage for possible damages resulting from my evaluations.

Place, Date

Signature

Annex 1: Overview of professional experience since initial accreditation / last re-accreditation

| Time frame | Employer (voluntary) | Job position (if relevant; e.g., data protection officer) | Share of privacy related tasks ¹ | Description of duties and responsibilities (e.g., ISO 27001 cert.) |
|------------|----------------------|---|---|--|
| | | | | |
| | | | | |
| | | | | |
| | | | | |
